

# ADD AN IMPACT

**GWserves** is the Nashman Center's database that allows students, student organizations, departments and community partners to search and share service opportunities and reflect on **community impact**. If you cannot find the organization you served with, follow these instructions to add your impact.

## General Service: Lets Get Started!

1

**Add an Impact!** Once you are on the George Washington University GWserves homepage, click the green **"Add Impact"** button on your Dashboard.

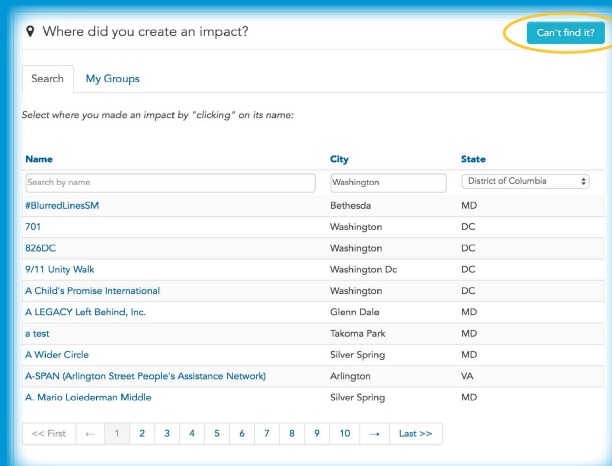

2

**Select Event or Volunteer Opportunity!** Pick the listed event or volunteer opportunity that matches the impact you are trying to input. If there is no event or opportunity that matches your impact, click the **"Change"** button on the top-right.

3

**Find Your Community Partner!** Search for your community partner and follow the next steps. If you are unable to find your community partner, click the **"Can't find it?"** button on the top-right.
